Dear Parents

If you have a child in Reception, you may have heard about the dinosaurs that have taken up residence in the jungle and in the tyres in the playground. So far they seem to be behaving themselves apart from the enormous footprints they leave everywhere! Beanstalks are appearing in Year One. We will have to keep an eye on how tall they grow and watch out for giants, who might have heard that there is chocolate to be found in Year Two...

We have had a very sunny start to the summer term and are making the most of the lovely weather by taking learning outside when the opportunity arises. With this in mind, please ensure your child has a sun hat and water bottle in school. Sun cream may be brought into school if your child is able to apply it – the sticks are often easier for children to use than bottles. Alternatively, parents may call into school over lunchtime to re-apply sun cream.

Over the next few days we will be setting dates for our summer events. As soon as they are finalised we will post them on our website and signhillsblog, and list them in the next Signpost.

Thank you.

Allie Majer
